At Mercy Flights, protecting the people you love is our priority. A Mercy Flights Membership provides peace of mind during medical emergencies by reducing the financial burden of air and ground ambulance services.

For more than 75 years, we've delivered trusted, compassionate mobile healthcare across southern Oregon and northern California.

Your membership covers everyone in your household, no matter their relationship to you. One plan keeps all your loved ones protected.

Choose confidence. Choose Mercy Flights.

Helicopter

We operate helicopters for emergency on-scene response and emergency inter-hospital transports.

Ground Ambulance

30 ground transportation ambulance fleet stationed throughout the 2,000 square miles of Jackson County.

Airplane

Mercy Flights operates airplanes from Medford and transports within the four neighboring states.

Mercy Flights Inc. operates as its own FAA approved Part 135 aviation provider.
